About us

Lutts Group Limited specializes in reconditioning wooden pallets for retailers, manufacturers, logistics providers, and exporters. We refurbish, repair, and grade pallets to meet operational needs while prioritizing sustainability and durability.

Founded to provide reliable pallet solutions, we combine skilled craftsmanship with efficient processes to deliver consistent quality and service.

Benefits

Reduce costs by up to **50%** vs. new pallets

Eco-friendly: extend wood lifespan, reduce waste

Fast turnaround and flexible order quantities

Fully inspected, repaired, and graded to industry standards

Our Services

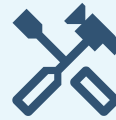

Pallet Reconditioning

Repair and reinforce used pallets to extend service life.

Pallet Grading & Inspection

Visual and structural grading to industry standards.

Custom Repair Programs

Tailored maintenance plans for high-volume customers.

Pallet Pooling & Management

Inventory tracking, rotation, and logistics support.

Pallet Disposal & Recycling

Environmentally responsible end-of-life options.

Why Choose Us

Quality Assurance

Trained technicians, thorough inspections, and guaranteed repairs.

Cost Savings

Lower upfront costs and longer pallet lifecycles.

Sustainability

Reduced timber harvesting and landfill diversion.

Flexible Supply

From single pallets to bulk orders, same-day dispatch options.

Compliance

Heat-treatment and export-ready options available.

“The UK’s leading Supplier of reconditioned wooden pallets. Providing a world class service to all sectors for over 40 years.”

Durable.
Sustainable.
Dependable.

Typical Clients

- ➔ FMCG & retail chains

Customer Testimonials

"We've been working with Lutts Group for our pallet supply, and they've consistently proven to be a reliable and responsive partner. Their service is efficient and dependable, ensuring we always have what we need on time. A special mention goes to Sam, our main contact, who continually goes above and beyond to support us – nothing is ever too much trouble. It's a real benefit to work with a supplier who combines quality products with outstanding customer care."

Stuart Deaton *Customer Experience Director, Reedbut Group*

"Pleasant people running a very reliable Company who react to our constantly changing demands with a minimum of fuss to ensure delivery in full and on time – happy to recommend Lutts to any potential customer."

Simon Stone *Purchasing Manager, Signature Flatbreads*

"It's been a great experience working with LUTTS Group, the team is professional, reliable, and always goes the extra mile to support our operations. Looking forward to continuing our successful partnership."

Rauf Ahmed *Warehouse manager, Kuehne + Nagel*

How It Works

- ① Contact us with your pallet type and quantity.
- ② We assess and collect or accept drop-off.
- ③ Pallets are repaired, graded, and quality-checked.
- ④ Reconditioned pallets are delivered or made available for pickup.

Pricing & Quotes
